® Quad HDD/SSD Internal Mounting Kit

DA-70432
4016032340386

Multifunctional Mounting Frame

The DIGITUS® HDD/SSD internal mounting frame is suitable for the simultaneous installation of up to four 2.5" HDDs or SSDs. Alternatively, one 3.5" and two 2.5" HDDs or SSDs can be mounted in the mounting frame at the same time, in which the 3.5" HDD/SSD is fixed decoupled. The frame can be used in standard 5.25" bays of PC cases and will be fixed with four fine thread screws. Included are a total of 24 screws and 4 decoupler for fixing the mounting frame and the drives.

- Supports installation of up to 4x 2,5" HDDs/SSDs or 1x 3,5" and 2x 2,5" HDDs or SSDs in one 5,25" bay
- Works with HDDs and SSDs
- Easy installation
- Metal material helps to release the heat of HDDs
- Including 24x screws and 4x decoupler
- Size: 12.0 x 14.6 x 3.4cm
